NSC Market Survey 2018:

Trend:
Younger people eat
less Bacalhau than
older, why?

Why the Portuguese eat less Bacalhau than before

Value for money is the main argument for why they are eating less Bacalhau. This can follow the general increase in prices in the Portuguese market. Value for money is most important argument among the older group of consumers. **Younger consumers** think that it takes to long to prepare Bacalahau than older consumers.

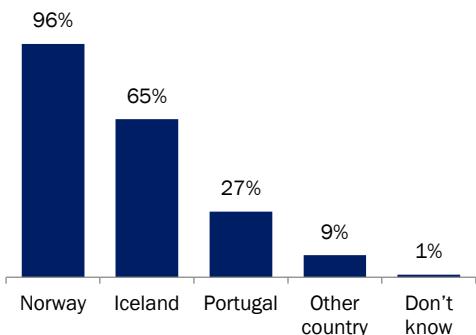

High preference for
norwegian origin

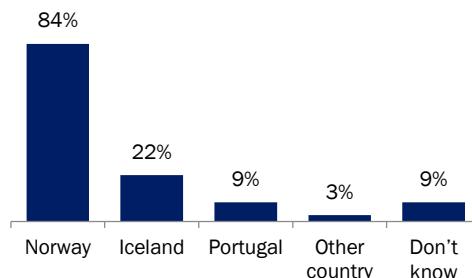

Norway has a unique position as a country of origin in Portugal as it is the most well-known, preferred and chosen Bacalhau in Portugal.
