Registering establishment

Sign in using your login name & password (as shown below) in the link:

<http://frcs.sfda.gov.sa/Login.aspx>

The image displays three sequential screenshots of the Saudi Food & Drug Authority (SFDA) website interface, illustrating the process of registering an establishment.

Top Screenshot: Shows the login page. The header includes the SFDA logo and the text "الهيئة العامة للغذاء والدواء Saudi Food & Drug Authority". A navigation menu has "Home" selected. The main content area features a "Login" section with a "Create New Account" link, input fields for "Login Name" and "Password", and a "Sign In" button. A "Forgot your password? Activate your account?" link is also present. A large SFDA logo is displayed on the right.

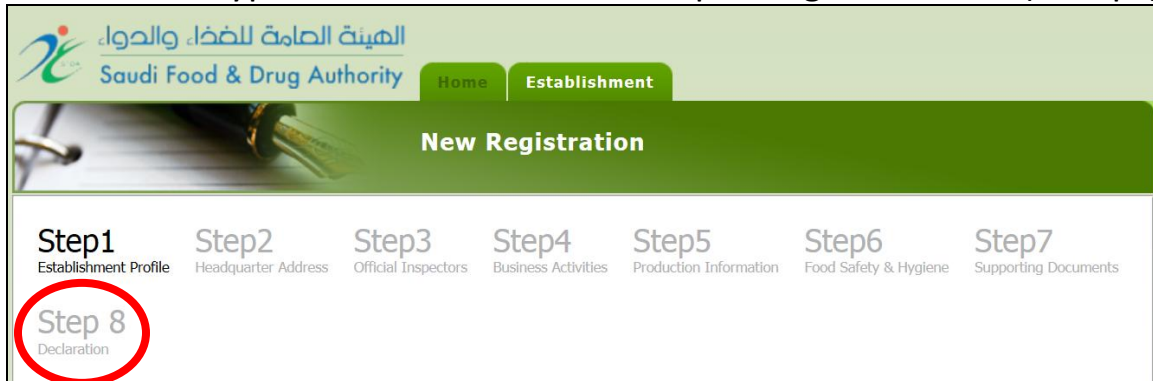

Middle Screenshot: Shows the "Establishment" page. The header and navigation menu are the same, but "Establishment" is now selected. The main content area features a "Welcome" message and a video player showing a presentation of fresh meat and vegetables. A large SFDA logo is displayed on the right.

Bottom Screenshot: Shows the "Establishment" page with a dropdown menu open. The dropdown menu lists the following options: "Register Establishment", "Search Establishment Requests", "Update Establishment Registration", and "Renew Establishment Registration". The rest of the page content remains the same as in the middle screenshot.

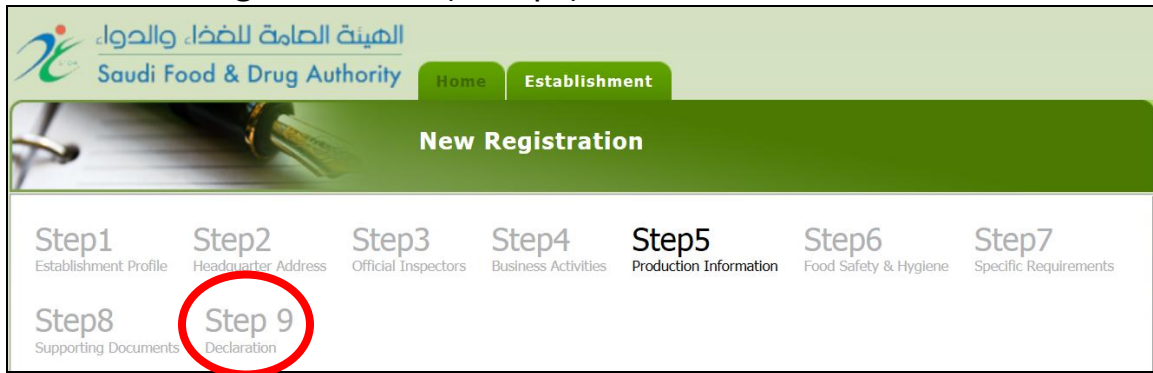

Registration steps depend on the type of the Establishment.

The registration consist of 8 steps for all types of establishments except In case of slaughter houses the registration consist of 9 steps. In both cases, the last step is “Declaration and Submission” (both cases shown below)

أنا، الموقع أدناه، أفز بأن المعلومات الواردة في النموذج والوثائق المرفقة صحيحة، هذا وأؤكد بأن المعلومات المنشار إليها في ملف طلبي هي معلومات مناحة للتحقق.

I, the undersigned do hereby confirm that all the information in this form and all accompanying documentation is correct. I further confirm that the information referred to in my application file is available for verification.

I Agree

At the bottom, there are 'Back' and 'submit' buttons.

Note: After submission of the application, you can't change any data filled in the application. Except if the application is returned to you to be corrected.

Evaluation of the Registration Application

After submitting the application, the registration Department in SFDA will evaluate the application legally & scientifically then it will decide one of the followings:

1. Approved.
2. Rejected.
3. Returned to be corrected: if there is a missing or wrong information in the application.
4. Need to be inspected.

After the decision of the registration Department in SFDA on the application, the establishment will receive an email to inform them about their status.

If the decision is “Returned to be corrected”, Then the establishment have to do the followings:

1. sign in using their login name & password
2. Press establishment.
3. Then go to register establishment.
4. Then check the comments box.
5. Read the comments carefully, and complete or correct the required information.

Inspecting Foreign Establishment

After the decision of the registration Department in SFDA on the application, the establishment will receive an email to inform them about their status.

If the decision is “Need to be inspected”, Then the establishment have to do the followings:

1. Contacting the official authority (in the exporting country) to send a request through the diplomatic channels for inspection of their establishment by SFDA. An official letter sent by the official authority to SFDA requesting a visit to inspect the establishments, mentioning the names and official registration / approval numbers of all these establishments exactly as mentioned in the SFDA registration system.
2. After receiving SFDA Bill, the establishment should pay the Inspection fees to SFDA, (by the establishment or authorized body) by using SADAD payment system or in SFDA Bank Account No(.....).
3. Sending an email to the SFDA (Foreign Establishments Inspection section [@SFDA.GOV.SA](mailto:SFDA.GOV.SA)) to confirm the fees payment. Then, waiting for their visit date to be confirmed by SFDA.
4. After receiving the visit date from SFDA, the establishment should contact their official authority to schedule for the SFDA inspection visit. Then inform SFDA about the visit schedule.

5. Facilitating the SFDA Inspection of the establishment during the visit.
6. If applicable, rectification the deviations in the establishment according to the report sent by the SFDA team through diplomatic channels. Then, the official authority in the exporting country shall send an official report with the rectification the deviation in each establishment to SFDA through diplomatic channels. After receiving the official report through the diplomatic channels, SFDA pleased to receive photos & videos of corrections via **@SFDA.GOV.SA**.

After the SFDA Inspection, the SFDA will reevaluate the application and the inspection report then it will decide one of the following decisions:

1. Approving the establishment.
2. Rejecting establishment.
3. Approving the establishment after rectification the deviation.

Finally, the establishment will be informed about their status by SFDA decision through the diplomatic channels and via email from the registration system.
